VEUVE CLICQUOT

Founded in 1772 by Philippe Clicquot-Muiron, Veuve Clicquot played an important role in establishing champagne as a favoured drink of nobility throughout Europe. Veuve Clicquot is theorised to have been the first truly "modern" Champagne.

Veuve Clicquot Ponsardin NV Reims France

Bottle 125 | Flute 22

Crafted from a unique combination of reserve wines to create the consistent style for which the house is renowned.

Veuve Clicquot Rose NV Reims France

Bottle 250

The visionary widow Clicquot created the first known blended rose champagne 200 years ago. A weighty but elegant burst of red fruits, with intense flavours of ripe strawberries and cherries.

G.H. MUMM

This flagship cuvee is a blend of up to 77 different vineyards with a high proportion of reserve wines from five different vintages.

Mumm Cordon Rouge NV France

Bottle 125

It is clean and subtle on the nose; rich fleshy fruits in the mouth with subtle yeasty overtones. Fresh, elegant and balanced with a long, creamy finish.

Mumm Brut Le Rosé NV France

Bottle 160

Relatively pale salmon pink colour with light orange highlights. A lively dynamic attack reminiscent of fruits of the forest, and a freshness that is elegant, fine and subtle.

MOËT & CHANDON

Moët & Chandon has been sharing fabulous moments in history since its founding days in 1743 by Claude Moët. The sublime quality and generous effervescence of its champagne always adds just the right touch of shimmering elegance and elevates any occasion to a celebration.

Moët and Chandon Brut Imperial NV Epernay France | 120

The world's most famous Champagne, pale straw-yellow in colour, small active bubbles.

RUINART

Ruinart is the oldest established Champagne house, exclusively producing champagne since 1729. Founded by Nicolas Ruinart in the city of Reims in the Champagne region.

Ruinart Blanc de Blanc Reims NV Reims France | 160

The signature of Ruinart, made exclusively from Chardonnay grapes, is a beautiful luxurious wine.

DOM PÉRIGNON

It took a visionary spirit and an exceptionally daring man to set such an exalted ambition at the end of the 17th century, but vision and daring were second nature to Pierre Pérignon. Creating the world's first and still leading prestige brand.

Dom Pérignon Rose 2000 Epernay France | 800

A dark, intense colour leads to a Chambolle-like nose followed by endless red berries, flowers and spices, all backed up with plenty of muscle, richness and density.

Dom Pérignon P2 1998 Epernay France | 900

P2 is the second Plentitude of Dom Perignon, the result of 16 years of elaboration. The energy reaches its climax. The dark, mineral, iodine, spicy singularity of Dom Perignon resounds higher & clearer than ever. Meet the ultimate Dom Perignon.

LAURENT-PERRIER

Founded in 1812, Laurent-Perrier is recognised as one of the finest of the champagne houses.

This success derives from respect for long-established traditions, dedication to quality and strong long-term relationships with all those associated with the company. It is also the result of the family's drive, led by Bernard de Nonancourt, to maintain Laurent-Perrier's independence and values.

Laurent-Perrier La Cuvée

Bottle 120 | 200ml 29

This fresh and pure wine is perfect for an aperitif. Its citrus and white fruit notes and its remarkable balance supported by a subtle effervescence, making it an ideal accompaniment to poultry and the finest fish.

Laurent-Perrier Millisémé 2008

Bottle 180

Produced from grand cru vineyards, it already balances ripe white fruits with a firm structure that will age well. It's relatively dry and has plenty of acidity, which will also aid in the longevity.

Laurent-Perrier Grand Siècle

Bottle 350

Laurent-Perrier has always preferred to keep its prestige cuvée as a nonvintage blend. With eight years ageing after bottling and plenty of reserve wines in the blend, it is a mature wine that is yeasty and toasty in character. To go with that, there is great fruit from the blend that only comes from grand cru vineyards

Laurent-Perrier Alexandra Rosé 2004

Bottle 700

A tasting of Alexandra Rosé Millisémé is one of those all-too-rare moments - a unique sensory experience. A delicate ring of bubbles circles the inside of the glass, enlivened by a fine, persistent stream of bubbles. The colour register is anything but the usual shade of redcurrant or raspberry.

KRUG

Krug is the only champagne house to offer five prestige cuvées, each of which is different, and equal with undisputed quality and distinction. Each of Krug Champagnes is made with generosity and love – to overwhelm the senses with exceptional pleasure.

Krug Grand Cuvée 2002 Reims France | 650

A very charismatic fresh nose, promise of natural intensity and elegance with strong presence of fruits. A diverse bouquet of orange aromas with some notes of liquorice and chocolate biscuit.

PERRIER-JOUËT

Perrier-Jouët was the first house to release a dry-style champagne, back in 1854 when everyone else was doing sweet; the originators, then, of the current Brut style.

Perrier-Jouët Grand Brut NV Epernay France | 150

Delicate, elegant and balanced. The striking freshness and vivacity of the floral and fruity fragrances. A fresh balanced champagne with a long finish.
